PROJECTS

MODERN - QUIZ APP Github Link
April 2025

- Ô Developed a modern responsive quiz app using **HTML, CSS, and JavaScript**, featuring clean UI, dynamic question rendering, and smooth transitions to enhance user experience. Incorporated real-time interactivity without page reloads.
- Ô Integrated a countdown timer per question to simulate real-time pressure and improve engagement. Implemented instant visual feedback by highlighting incorrect answers with distinct styles, enhancing learning through immediate response.

NEURONET - A LANDING PAGE
Link
April 2025

- Ô Built an interactive neuronet landing page featuring immersive 3D animations, scroll-triggered effects, and a fully responsive layout using modern HTML, CSS, and JavaScript, delivering an engaging futuristic user experience across all devices.

MEMORY - CARD - GAME APP Link
April 2025

- Ô Developed a fully functional memory card game using HTML, CSS, and JavaScript that challenges users to match pairs of cards through logic and memory, with smooth animations and dynamic card flipping effects to enhance user engagement.
- Ô Implemented core game mechanics including randomized card shuffling, match detection, and interactive score tracking.

ACHIEVEMENTS

- Ô Participated in multiple LeetCode Weekly/Biweekly Contests and currently hold a **contest rating of 1450+**, showcasing consistent problem-solving and algorithmic thinking under time constraints.
- Ô Solved more than 250+ DSA question on various coding platforms.
- Ô Completed 200 max streak.

SKILLS

PROGRAMMING

C++ • Java • JavaScript(ES6)
• TypeScript • CSS5 • HTML6

FRAMEWORKS
• React • React Native •Tailwind Css

TOOLS/PLATFORMS
Vs Code • Git • IntelliJ IDEA
• Cursor

EDUCATION

DR RAMMANOHAR LOHIA AVADH UNIVERSITY
B.TECH IN INFORMATION TECHNOLOGY
July 2022 - 2026 | Ayodhya, India 68%

GEETA INTERNATIONAL PUBLIC SCHOOL
CLASS XII
2020-2021 | Gorakhpur, India 64.6%

COURSEWORK

- Ô Data Structures and Algorithm
- Ô Operating System
- Ô Database Management System
- Ô Computer Networks
- Ô Object Oriented Programming

CODING PROFILES

- Ô Leetcode
- Ô GFG
